March 14, and to make in some quarters that separate democratic aucuses would be held at the same time. out such does not appear to have been true, except in so far as the democrats getting ontrol of matters in several wards.

Delegates and alternates were chosen i all the wards. Six wards made nominaions. In the fourth ward the matter was left open for future action. The fifth ward ward it is understood the democrats are to be allowed to nominate a ticket, which the non-partisans are which the non-partisans are to en-dorse. Rapp and Troy are to be renominated for council and school board

Burnett) and Spangenberber said he would withdraw. But ast night when the caucus met, Spangen-berger was discovered writing out tickets for himself, so the Irish portion of the can cus said among themselves, if the German are divided among themselves, old maare divided among tremserves, out may Pelton is good enough for us. Spellman was nominated for school board by acclamation. T. J. Creager beat Lawrence Metcalf for assessor.

Professor Breckenridge is a mugwump, but was formerly a prohibitionist. Spellman was originally a democrat, then a prohibitionist, until last year. Jeff. Creager is a dyed-in-the-wool democrat. SECOND WARD.

I purchased a package of CLEVELAND'S SUPERIOR BAKING POWDER of Messrs. Park & Tilford, in New York, and have made a careful analysis of the same. I find it to consist of Pure Cream of Tartar, mingled with such other ingredients as render it an effective and desirable Baking Powder, and that it does not contain any Alum, Terra Alba, or any adulteration whatever. It is in my estimation among the most wholesome compositions for a Baking Powder of
